

The journey

Fragmentation to autonomy with local accountability

A partnership that serves all children and young people

School to school; Council to schools

Co-governance and leadership

Sustainable models of school improvement

The ambition

No learner left behind; no school left behind

Locality matters

System wide challenges

Growth mindset

Film 'No learner left behind'

<https://www.youtube.com/watch?v=tHY-Q3BqhI0>

Developing trust

High challenge, low threat

Improve not prove

Low stakes accountability

Developing trust; a coaching culture

Orchestrating an eco system of collaboration

Encouraging innovation

Learning clusters led by system leaders

Peer Enquiry Review/ Spirals of Enquiry

A sense of belonging, learner agency

SENCo clusters, High School Spirals

The next challenge

External impact measures – *top performing locality*

Real impact measure – *resilience and responsiveness to systemic challenges*

Enduring and highly cost-effective architectures – *lateral capacity*
